## ICT ENABLED SERVICES

Use of ICT enabled tools in teaching-learning process, in addition to traditional teaching learning method, makes significant effect on the students. Learning with ICT enabled tools makes the learning easy and long term, so the institution started providing required infrastructure realising its crucial role. Information and Communication Technology (ICT) in education supports, enhances and optimizes the delivery of education. The teachers take efforts in exploiting various ICT tools to engage the students in long term learning. The students get benefitted in both ways i.e. learning through ICT and getting acquainted with the latest technology.

### **E-Services to the Students:**

From admission to result declaration, college provides each and every kind of information and related e-services to the students. College has installed TextLocal Group SMS Service to inform the updates about teaching learning and evaluation. Staff also have created WhatsApp groups for each subject where teachers provides Notes, PPTs, and Links for Online Lectures and YouTube Lecture, etc. The teacher, as a mentor counsel adopted mentee students on encrypted personalised services like WhatsApp, Telegram, Facebook & Messenger to maintain the privacy.
