

ICT ENABLED SERVICES

Use of ICT enabled tools in teaching-learning process, in addition to traditional teaching learning method, makes significant effect on the students. Learning with ICT enabled tools makes the learning easy and long term, so the institution started providing required infrastructure realising its crucial role. Information and Communication Technology (ICT) in education supports, enhances and optimizes the delivery of education. The teachers take efforts in exploiting various ICT tools to engage the students in long term learning. The students get benefitted in both ways i.e. learning through ICT and getting acquainted with the latest technology. The campus of college is enabled with high speed Wi-Fi connection.

ETH & OPAC:

College has purchased ETH module for academic and administrative management. The Library management module is used to access Inflibnet N-list Services to update of subject knowledge. Student can search books available in the library through Manual & Online Public Access Catalogue (OPAC).
