## ICT ENABLED SERVICES

Use of ICT enabled tools in teaching-learning process, in addition to traditional teaching learning method, makes significant effect on the students. Learning with ICT enabled tools makes the learning easy and long term, so the institution started providing required infrastructure realising its crucial role. Information and Communication Technology (ICT) in education supports, enhances and optimizes the delivery of education. The teachers take efforts in exploiting various ICT tools to engage the students in long term learning. The students get benefitted in both ways i.e. learning through ICT and getting acquainted with the latest technology. The campus of college is enabled with high speed Wi-Fi connection.

### Online platforms:

There are various platforms with the help of it, the teachers make the teaching, learning and evaluation process effective and transparent. Available LMS platforms such as Google Classroom, Teachmint, Gnomio Moodle, etc used by the teachers as per their convenience. Many of the teachers prefer direct delivery of video lecture as per timetable through popular apps like Microsoft Team, Google Meet, Zoom App, etc.
