World AIDS Day 01st December 2017

The college has arranged AIDS awareness program on the occasion of World AIDS day on 1st December. Hon'ble Principal of the college addressed the rally. As he said that the HIV response has played a critical role in converting public health, and in turn has partial the influential of the universal health attention agenda. He also added a point as every day, less people are becoming infected with HIV and fewer people are dying. But these successes are covering the many differences and tests that persevere. Everybody sums if we are to achieve universal health coverage and everybody must count if we are to remove AIDS and viral hepatitis as public health pressures. Health services should be improved to reach and meet the needs of those populations most at risk and affected, and this includes applying a 'zero tolerance' policy to shame and judgment in all health services.

Voter's Day Awareness Rally 25th January 2018

In order to encourage more young voters to take part in the political process, Government of India has decided to celebrate January 25 every year as "National Voters' Day". It has been started from 26 January 2011 to mark Commission's foundation day. By Observing the new voters, who have attained the age of 18 years, were showing less interest in getting enrolled in the electoral rolls, the level of their enrolment was as low as 20 to 25 per cent in certain cases. In order to effectively deal with this problem, the Election Commission has decided to take up a vigorous exercise to identify all eligible voters attaining the age of 18 years as of January 1 every year in each of the 8.5 lakh polling stations across the country. Considering the above fact our Department of Political Science was organized voters awareness rally on the occasion of voter's day that is on **25/01/2018**. B.A., B.Sc., B.Com. and P.G. Students were participated in this rally with boards having various slogans for awareness campaign.

Rally was flagged off by our Principal Dr G.H.Jadhav sir from college campus. Principal Dr Jadhav G.H. in their speech said that Casting votes will help in strengthening democracy. Each and every voter must cast his vote in the Maharashtra Vidhan Sabha and loksabha. This message was conveyed by students of the college in a skit performed as part of the voter awareness program. Chief Guest for this rally, was Tahasildar of Omerga ; Mr Arvind Bolange was present. He said each voter has a duty to strengthen the democratic process by casting his/her vote.

We are always looking forward to achieving the aim of building a stronger democracy through greater synergy with Civil Society Organizations, Media and Corporate Houses. It is very important to motivate voters to exercise their right to vote and deliver information on the polling process he said. Namvistar Din

14th January 2020

The day was celebrated in the college to respect the thoughts of Dr. babasageb Ambedkar. The renaming battle of the university began in 1978. It took sixteen to seventeen years for this university to be named after Babasaheb Ambedkar. Many lost their lives, and many went to prison. Marathwada Vidyapeeth Namantar Andolan is a struggle waged by all sections of the society. Although the then cabinet unanimously agreed to the demand, the highly educated elements of the time opposed Babasaheb's name, trying to make it prejudiced.
